Your Honor:

The parties submit this joint request for certain amendments to the briefing schedule and related discovery schedule for claim construction in the above-referenced case. These changes will assist in the mutual accommodation of witness schedules for upcoming depositions. With the exception of revisions requested below, the parties do not propose altering any dates in the amended schedule entered January 4, 2010.

The changes requested below would not alter the April 30, 2010 date for the claim construction hearing.

Event	Current Deadline	Revised Deadline
Filing of <i>Markman</i> briefs and disclosure and exchange of <i>Markman</i> expert reports, affidavits, or declarations.	February 22, 2010	March 12, 2010
Completion of initial <i>Markman</i> expert depositions.	March 17, 2010	March 29, 2010

Filing of responsive <i>Markman</i> briefs and disclosure and exchange of rebuttal <i>Markman</i> expert reports, affidavits, or declarations.	March 29, 2010	April 9, 2010
Deadline for parties to serve subpoenas upon any third-party witnesses seeking the production of documents and/or deposition.	April 5, 2010	April 19, 2010
Completion of rebuttal <i>Markman</i> expert depositions.	April 15, 2010	April 26, 2010

The parties are available to discuss these matters at Your Honor's convenience.

Respectfully submitted,

/s/ Steven M. Hayes
